Customer Reviews

Purchased this for my brother - he collects and saves quarters. He was extremely happy with this produce and purchased other in the same series.

I like these folders best for my own collection and have never been dissatisfied with them. Great product!!! Durable!!! Couldn't ask for more.

As I expected. These will be my 4th and 5th collection of the State Quarters. A good hobby for youngster to take up idle time.

Holds quarters firmly! May required a tap-tap here and there to get seated properly but it works well for its intended purpose.

Worked just the way I wanted them too. I will order again. Books were just the right size. ready for immediate use.

I like these books as they are easy to use and my grandson and I will get hours of fun collecting coins.

I have one like it I am making a collection for my grandchildren to give to them hope they like it.

Exactly what I was looking for and quick delivery
