## Customer Reviews

Julie Hatfield once again delivers a remarkable cookbook at a bargain price, packed with simple, delicious recipes that family and friends would love and enjoy. Some of the recipes are impressive, and many have common, basic ingredients. Each delicious recipe includes the number of ingredients, servings, and how-to prepare directions. So far, we made the seafood pasta, and the cheesy stuffed shells. They were both very tasty, and filling. Several recipes are for a friendly budget, and there is something inviting for everyone. Some of the mouth-watering recipes include: Cheesy Pasta Fonduta; Fettuccini With Mushrooms & Hazelnuts; Linguine Arrabbiata; Pizza Pasta

Casserole, that the kids would love; Spicy Pasta With Sweet Potatoes; Pasta With Roasted Cauliflower & Breadcrumbs; Chicken Carbonara with Asparagus; Cheesy Carrot Macaroni; One Pan Pasta, which is easy-to-prepare; Greek Pasta With Meatballs; And more. Our Next Selections are the Penne With Eggplant, Sausage & Feta, and the Light & Cheesy Macaroni. We will leave updates with feedback on New recipes. I will be gifting this inspiring cookbook to family and friends on special occasions. Highly recommended!

Don't waste your dollar. While you may be able to decipher some of the recipes, you'll probably do just as well winging it in the kitchen. There are misspelled words, nonsensical directions, imperial and metric measurements in the same recipe.

I have gout and need to eat a lot of pasta so I am always looking for new and good recipes and I found them in this book. Thank you

These pasta recipes are truly winners and contain the right combination of ingredients to make it a top notch dish.

great
