As I am a huge fan of my Beanie Babies I would like to write a review on the Beanie Mania Handbook. This handbook is extremely useful. It shows a list of beanies available from a-z, their birthdays and other information about them and it is for sale at an excellent price Megan..

I love my Beanie Babies and I have a collection of 57. I would like to know as much as I can about beanies and collect as many as I can. Yours faithfully Megan
