KEYS TO THE KINGDOM: PRINCIPLES OF SUCCESS IN THE BIBLE: Unlock The Secrets To Success

Synopsis

Discover the real truth on prosperity One thing we are promised in this life as new testament Christians is plenty of trial and tribulations. No matter how hard we wish we can not escape from the trial and tribulations we will often face in this world. The problem is many of us are living a life of discouragement in the face of these challenges and have lost our sense of joy and victory. We search the scriptures looking for answers to our problems, we look for tools to unlock the success code. This book will delve into the word of God and talk about success from the biblical perspective. How this book will benefit you You will learn the truth, about what the bible actually teaches You will learn the biblical principles that work for anyone (just or unjust) You will learn what false teachers and wolves in sheeping clothing dont want you to know You will learn the powerful key that you must have to succeed You will learn what true success and wealth as the bible states trully is download the truth today or download with kindle unlimited

Customer Reviews

Most people feel the way we gain or become successful doesn't matter. This book changed my view on that. I like the way the writer was able to backup all his or her point with the aid of the bible. It made the bible the foundation of everything that his saying. It also opened my eyes to many false teaching that people are been made to believe. It made it clear the role of the man and woman as well when it come to authority and submissiveness. Very good book to read.

This is a very nice book. It is very enlightening and I was fascinated how the author explained everything in a biblical way. This is the very book where you can benefit a lot. Highly recommended for every Christian to read.

Yes he is into old school submissive women, male superiority, selective picking of Bible verses to justify himself and his opinions on many subjects. On the plus side note that his grammer is excellent, his sentences are complet and well structured, the book flows very well from chapter to chapter, and it that is no small feat!

Honestly, the words I got from this book invigorates me. It's been quite a long time since I last read the bible. And believe it or not, I have never even finished reading the whole bible itself. But learning what it really teaches us from this source is really amazing.

This book will delve into the word of God and talk about success from the biblical perspective. I really liked that book. The author did a great job. I would highly recommended to read this book everyone who wants to learn what false teachers and wolves in sheeping clothing don't want you to know.

This book reveals good and sound bible truth . This book reveals some false teaching that many of us have received . It also helps people to understand that God's main concern is that we trust Him and are interested in the growth of His kingdom . Truly those who read this book and understand will be blessed.
