# Pig And The Shrink

## **Synopsis**

Tucker Harrison has a big problem. The principal has nixed his handwriting analysis project for the science fair--can he help it if his teacher's handwriting shows a criminal mind? Now he quickly must come up with a project that's sure to dazzle the judges and get him into the State Math and Science Academy, something his father is counting on. Tucker is desperately searching for an idea when he runs smack into Pig. Angelo Pighetti is the fat kid in class, the one who always gets picked on. Suddenly Tucker has a brainstorm--why not make Pig his science fair project? If he can get Pig to lose weight he'll have a living, breathing, successful experiment. What could be more perfect? But Tucker soon learns that Pig has his own ideas of how to live his life. What is there to do when your subject won't cooperate?

## **Book Information**

Lexile Measure: 670L (What's this?)

Paperback: 192 pages

Publisher: Yearling (September 12, 2000)

Language: English

ISBN-10: 044041587X

ISBN-13: 978-0440415879

Product Dimensions: 7.7 x 5.1 x 0.5 inches

Shipping Weight: 4.8 ounces

Average Customer Review: 4.4 out of 5 starsÂ  See all reviewsÂ (5 customer reviews)

Best Sellers Rank: #1,216,100 in Books (See Top 100 in Books) #47 inÂ Books > Children's Books > Growing Up & Facts of Life > Health > Weight #11745 inÂ Books > Children's Books > Growing Up & Facts of Life > Friendship, Social Skills & School Life > Friendship #19114 inÂ Books > Children's Books > Humor

Age Range: 8 - 12 years

Grade Level: 3 - 7

## **Customer Reviews**

It's a book about accepting yourself as you are, about learning the value of friendship. I know it's a book for young adults, but as someone older than, oh well, let's say 30...I couldn't believe how often I laughed and cried here. It has an oriental mystical flavor too. My favorite line was "It's a come as you are party."

My review is about the book called Pig and the Shrink. The main character is Tucker Harrison. Tucker needed to win the science fair project to get into the Math and Science Academy School next year. His experiment was on a weight loss program. He used Pig, short for Pighetti a classmate who is the largest kid in school. During the experiment, Tucker and Pig become friends. The experiment didn't work out very well and Pig was gaining weight. Pig wanted to stop but Tucker was obsessed to win. So obsessed, he lost Pig's friendship. Tucker realized that Pig's friendship wasn't worth losing over a science fair project. He also realized that even though Pig was big, he shouldn't have judged him by his appearance. Pig was a great person inside and out. Tucker apologized to Pig at the science fair and decided to drop out. I recommend this book by Pamela Todd. It teaches a good lesson about friendship and not to judge people by their appearance. It was fast paced and funny.

My review is about the book called Pig and the Shrink. The main character is Tucker Harrison. Tucker needed to win the science fair project to get into the Math and Science Academy School next year. It teaches a good lesson about friendship and not to judge people by their appearance. It was fast paced and funny.

Read Pam Todd's book multiple times over the span of several years. It gets better everytime. If you want to take a good look into the complicated, wonderful - funny and sometimes harrowing - world of middle-schoolers, this book will give you a loving, tender and insightful glance. Initially, I'd wondered why Pam had such a long list of people to thank in her acknowledgements. Eventually, I realized how many nuances she covered, and she nailed every one of them. Thanks, Pam. I'm sure this will be a 'family classic' for a long, long time. :)

Love love love this book.
