Customer Reviews

This book is fantastic and helpful. This book teaches the basics in playing the well-known game that is Minecraft. This also discusses what is Minecraft and the basic rules for its game play. You will learn all the secrete rules and tricks from this book. This book it gives a tactics for those who really love play Minecraft on how they can extremely good player. It gives several tactics how to stay alive in the game. I recommend it because it is very useful.

Highly recommended book! Minecraft is a game about placing blocks and going on adventures. If you want to learn more about Minecraft try read this book and it will teach how to dominate the

game. This book is very informative and easy to read. It will teach you different Tips, Tricks, Hints and more..This is also a great guide for all the beginners. Kudos to the author..

The updated Minecraft book is all that they hoped it would be!!! My boys have the original set of books and will not give those up and are loving the updated ones just as much. I am not sure how different the updated ones are but they promise me they have learned new information as well as new techniques. As long as my little men are reading and soaking up new information I am happy!

By reading this book, i found over 120 minecraft game tips.tricks and minecraft secrets including beginners tips.The illustration on this book helped us identify what was being referred to. This book is a perfect Minecraft Secrets Handbook,
