## Customer Reviews

LIVING WITH LIMOGES is more than a collector's book with fabulous identification and price guide. As the name implies "Living With Limoges" is the first book of its kind showing a collector how to decorate with various pieces of antique decorative Limoges porcelain. The author begins with the history of Limoges, the process, distinction between handpainted and transferware and then gets into a unique concept: LIVING WITH various and unique pieces of LIMOGES. Going room by room, fabulous professional photographs show how to decorate the entry, living, dining, bed, kitchen and

bath rooms with pieces of Limoges from plaques, paintings on porcelain to jardinières, vases and punch bowls! The first book to have an entire section on WEARING YOUR LIMOGES, TEA TIME, and Wedding Band Porcelain. The marks section is alphabetical, easy to read and identify and the price ranges after each item description are very helpful. This book should be required reading for the collector! A beautiful tea table book that is not only informative but artist! LIVING WITH LIMOGES has it all.

Unique book introduces, informs, and inspires the Limoges porcelain collector. Debby DuBay's style of writing and passion for the subject of Limoges - educates while entertaining and inspiring the reader. A true professional; in order to create a wonderful product, DuBay has professional photographer Linda LaBonte-Britt shoot beautiful photographs of antique Limoges porcelain. Complete descriptions, marks section, and value guide. RECOMMEND: LIVING WITH LIMOGES

Living With Limoges not only has hundreds of professional photographs of individual pieces of Limoges - this book shows these beautiful pieces of Limoges art in a room setting! Professional photographs of Limoges throughout; from the entry, living, dining, bed, kitchen and bathroom. BEAUTIFUL BOOK! Complete descriptions of each piece with a price range under each individual photograph. Section dedicated to teapots, wedding band Limoges, and the first book to have a section on Limoges jewelry. (The author does not include Limoges boxes - her large collection is included in Faye Stumpf's book specifically dedicated to Limoges boxes.) Love the easy to read, alphabetical marks section. This book is a must if you love Limoges! The most beautiful book on Limoges on the market today! ANOTHER QUALITY SCHIFFER BOOK!! Professionally photographed and written - AND - it shows! Well worth the money!

LOVE: LIVING WITH LIMOGES! This fabulous book is a MUST for the collector or antique Limoges porcelain. Informative, interesting, entertaining, professional and beautiful photographs of over 1,000 antique pieces of LIMOGES. 2003/2004 updated VALUES. HIGHLY RECOMMEND: Living With Limoges

Here's a coffee table book that is as gorgeous as its subject! The photography, organization, and information are superb. A great investment as appreciation is assured as more become enlightened to Limoges' beauty and value. A "must have"!

Living With Limoges is just stunning - absolutely gorgeous! An artistic presentation, professionally photographed. Love the format! A unique presentation of the subject! Collectors are able to see how their own collections can be displayed throughout their homes; from the entryway, living and dining room, bedroom to the powder room. Wonderful sections on Limoges Teapots and Wedding Band Limoges dinnerware. The first book to introduce Limoges Jewelry, Brooches, and Buttons. The author(interesting enough - retired USAF) is engaging, and her love for her country and Limoges porcelain is obvious! (I found this author through Gaston and Strumpf's books on Limoges!) Thanks to all for sharing their knowledge of LIMOGES! HIGHLY RECOMMEND!!

"Living With Limoges by Debby DuBay is a tour-de-force or more appropriately, a tour-de-Limoges." The author is a joy, the information is splendid, the concept is unique, the photographs are spectacular! Highly recommend this book to art lovers, collectors, and decorators. A must read for all interested in the beautiful art form known as: LIMOGES!

LIVING WITH LIMOGES is one of the best books available! The author's passion is evident and her knowledge unquestionable! I have read the book from cover to cover several times and I enjoy this beautiful book every time I look at it! I have met the author in her shop, Limoges Antiques Shop Andover, MA. Those with no knowledge of Limoges won't leave her shop without learning something, and those who know quite a bit about Limoges won't leave without learning more. AND HER BOOK TELLS IT ALL!! I HIGHLY RECOMMEND THIS BOOK!
