Synopsis

Create your own Successful Blog for 5 days
The web has over 160 million blogs. But a whopping 95% of these are inactive. The problem is that many of these are created without a main purpose. Additionally, the owners skip some necessary steps in the creation stage. Making a blog is a complex task. It's like solving a difficult equation for the first time. As I have created a number of blogs myself, I can testify that I have some that fall in the 95% bracket. However, all these were created when I didn't know what I was getting into. In this book, I will share tips to help launch your blog the right way and ensure that it grows. I'm sure you'll find the book helpful. Enjoy the reading!
