## Customer Reviews

I haven't looked at all the jokes but the first ones are really bad. They are like normal jokes with a fourth of July theme. At least it's free.

I didn't expect much from this book, but was worse than I ever dreamed it would be. Many of the jokes sounded like they were written by a 6 year old! Almost all the jokes were either hard to get or just plain dumb. What bothered me the most was that many of the somewhat awkward jokes could have easily been tweaked to be a bit easier to understand and even funny. Again, sorely disappointed.
