# The Intercessors Handbook: How To Pray With Boldness, Authority And Supernatural Power

## Synopsis

How to Pray with Boldness, Authority, and Supernatural Power In a world full of desperate need, we turn expectantly to prayer, hoping to witness the realities promised in Scripture. Most of us, however, seldom see the results we hope for. Why don't our prayers make more of a difference? Beginning with her own experiences of breakthrough, Jennifer Eivaz offers much-needed direction and the biblical context for prayer that does make a difference--explaining the intervention of angels and demons, prophetic manifestations, and much more. She helps believers take hold of their authority and spiritual giftings and use them in the battle for victory. The Kingdom principles and study questions will help every believer navigate the spiritual realm of prayer by using the tools that make it truly effective.

As a senior pastor, I am always trying to find ways to teach biblical principles in humorous or exciting manners. Prayer is such a basic principle, however the mind of the believer has yet to truly grasp intercession, the power that it produces, and the change it invokes. Jennifer Eivaz has realized this truth, and penned the "how-to's" and "why's" in such a challenging, yet relatable way. After reading it with my wife, we ordered 10 more for our ministry's core leadership, and also to use as a real-life based curriculum to teach intercession. My congregation here in Southern Oregon is thankful for Jennifer Eivaz and the Intercessor's Handbook.

This is the book of its kind that I've ever read, and much needed in the church today. Jennifer gives real life examples of her interaction with the spiritual world. What a blessing to glean from her. She

talks about our spiritual authority, territorial spirits, angels and more. And every chapter ends with bullet point prayer principles. I would recommend this book to every Intercessor, or anyone wanting to know more about the unseen spiritual world.

This book is essential reading for anyone who desires a deeper understanding of how to open heaven through prayer. Spiritual warfare is a part of our Christian walk, but through our authority in prayer, we are not subject to worldly obstacles. Do you want to know how/how not to pray? Do you want to know how to effectively pray for our city, state, nation, and world? Do you want to see God move in seemingly impossible situations? Jennifer Eivaz shares accounts of God's incredible speaking to His children in prayer. I've already read this book twice and I am seeking to open heaven on my city through prayer.

Let Your kingdom come, let your will be done on earth as it is in Heaven, how many of you have prayed this prayer? & haven't seen His will be done in your lives? I went thru it.! Reading The Intercessors handbook has ignited a new fire of desire to pray. The stories & real life situations that Jennifer Eivaz & her prayer life has caused me to "SEE" prayer in a different & exciting new way. Before I go anywhere I pray & release Angels to go with me & I have actually felt them settle on my car, and believe me you will feel them. I have had many of answered prayer because of the instructions & teachings in this book. If you are lacking a fire to pray & that desire is only but a flicker my suggestion to you is buy this book & get a jump start on your heart, this book is like a defibrillator that will send electrical voltage of the Spirit of God right thru you & will ignite & start a fresh new fire & you "Will SEE" what I mean.. It works..! I'm excited. Try & read it & see God do extraordinary things in all areas of your life.. I'm a living testimonial proof.. I highly recommend this book, it's a book you will go back and refresh yourself with.. Jennie Galvan

Jennifer Eivaz's writing style is clear and easy to understand. This book is worth the money and the time it takes to read it! It gives personal examples from her ministry, both inside her church and speaking engagements. It's so easy to read, but she also delivers very gently those chewy bits of wisdom, those things that you find yourself thinking about throughout the week and also go to your Bible to study! This would be a really good resource for people of any reading age.
