Customer Reviews

This book was selected to provide me with information about a product I knew very little about. The information provided is terrific.

this is a very handy book, it answers questions you cannot find the answer to by exploring the device. Nice to have around

good facts easy to understand well written. let's u know how to use product manual in box not enough. Enjoyed

I actually bought this book so I could read up on the Nook Tablet to help me decide if I wanted to buy one.

This book wasn't at all what I was looking for. I think the book was way overpriced and not very helpful.
