This guide is up to date with current rules. It contain's all sets through Cyberdark Impact and Tournament pack 8. The only thing it didn't cover was the championship packs. This guide included several deck building lists. It also included the forbidden and limited rules for Standard Format; Advanced Format rules not found in this guide. This guide contains price guides for every card set including japanese ones. Included in the price guides are Dungeon dice monsters, minatures, ect. This is a must have guide for any Yu-gi-oh!
