[in Books > Humor & Entertainment > Puzzles & Games > Card Games](#) #1479 [in Books > Arts & Photography > Graphic Design > Printmaking](#)

Customer Reviews

This is a fine collection of different decks of transformation cards, it's a decent price too. I was only a bit disappointed because except for the ones on the cover they're all in black & white. It makes it a bit difficult to truly appreciate the great art on a lot of the cards, still if you have no problem with that it's definitely worth checking out.
