# Stream Video Like A Professional

## Synopsis

Do you want to get into streaming video but don't know where to start? If so, you should read this book! With recent changes in technology, you don't need specialized training to get started. You may already have some or all of what is needed to get started in streaming. Here is some of what you will see in the book: Selecting a Camera to stream with, Selecting a microphone, How to connect a HDMI camera to USB, How to build your own studio for very little money, Streaming over Facebook Live or YouTube Live. There is no one right way to stream video. I have had the good fortune to working in a professional broadcasting situation in both the field and studio environments. I use that knowledge and help you get started with streaming video without spending thousands of dollars with nothing to show for it.
