Chicago author Raza Iman has written several successful books on health and fitness â

UNCONVENTIONAL FITNESS TIPS, THE SCIENCE OF GETTING RIPPED, HOW TO BURN BELLY FAT, THE LEAN BODY EXPERIMENT, and he tops these off with a cookbook to support the intake of foods that in turn support his passion for the lean body â “ 17 EPICLY SIMPLE FAT BURNING MEALS IN 12 MINUTES OR LESS. And if Raza is the model for the covers of his booksâ |.then take heed. As he states in biographical notes, â ^I'm not a 22 year old fitness guru. I'm not an "Instagram hottie" I don't live or work in a gym. I don't have chefs prepare my meals for me. I'm a busy father of 3 young kids. I work in IT for a major hospital in Chicago with a 2 hour daily commute. I have to (and like to) eat my wife's cooking - which doesn't always stick to my "macros" I go to birthday parties, and barbecues, and business lunches, and family gatherings. But I've figured out how to stay in shape despite all of that. So I decided to become a Kindle author to write about my experiences and show simple strategies and tips regular people can use to get healthier, stronger, and leaner.
