# The Standard Knife Collector's Guide: Identification & Values

## Synopsis

This book includes virtually all knife manufacturers, both old and new: Chicago Cutlery, Holley, Belknap, Eagle, Remington, E.C. Simmons, Shapleigh, Winchester, Aerial, and Imperial, to name just a few. The guide presents a common sense system for 'total appraisal' using the RBR scales; overviews of all the major knife companies; notes on commemoratives, reproductions, and limited editions; knife clubs and organizations; numbering systems used by companies; and current collector values. More than 800 line drawings and an expanded full color photo gallery showcasing the various handle materials -- celluloid, wood, bone, abalone, ivory, metal, plastic, and more. 2002 values. AUTHORBIO: Roy Ritchie is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Ron Stewart published one of the earliest books for collectors, the Kentucky Knife Traders Manual. They went on to publish the bestselling Standard Knife Collector's Guide, and later books followed: Big Book of Pocket Knives, Cattaraugus Cutlery Company, and Standard Guide to Razors. AUTHORBIO: Ron Stewart is a noted expert on knives, and provides certified appraisals of knives and collections, as well as assists insurance companies with appraisals and adjustment evaluations. He and co-author Roy Ritchie published one of the earliest manuals for collectors, the Kentucky Knife Traders Manual. They went on to publish the bestselling Standard Knife Collector's Guide, then others like Big Book of Pocket Knives, Cattaraugus Cutlery Company, and Standard Guide to Razors. REVIEW: Standard Knife Collector's Guide: big, wide-ranging, and inexpensive. These factors have made this title one of the three or four most popular books in the knife business. With almost a hundred pages added to this edition, the new page count comes to nearly 800. The heart of this book is the extensive listing of major knife companies and brands, which provides many illustrated examples that apply the authors "RBR" system for determining a value of almost any brand of folding knife. -Knife World

## Customer Reviews

Average for the general knife novice. It answers some questions but do not expect it to be a comprehensive index for knife collecting.

This series of books have loads of info, useful to both the newbie or seasoned collector, great deal and well worth the money..

Good reference. A little dated somewhat narrow in focus but, knives are so broad that no single book can cover everything.

Covers both old and new items.
