She Tried To Be Good: Sirens And Vamps From The Pulp Classics (Pulp Postcard Series)

Synopsis

As America slowly relaxed its moral codes in the postwar era, pulp novels offered an initiation to the previously hidden demimondes of sex and hedonistic excess. While the cover blurbs feigned shock and disgust, the cover art reveled in illicit danger, their titillating scenarios offering a lurid window on America's suppressed desires. Now, collected here, are 23 postcards featuring tigresses and tempresses in all their reckless glory.

Book Information

Series: Pulp Postcard series

Card Book: 23 pages

Customer Reviews

A great postcard picture collection. i gave them to my girlfriend as a present, since she has wanted a collection of pulp covers for sometime now. She loved them, I loved them, and all of our friends that also saw them got a kick out of them. All four of the pulp cover art books by Prion are highly recommended, whether you are a fan of pulp art or just like nice pictures in general. if you are a bit of a collector of pulp covers, get em all and add 92 excellent pictures to your collection.

Got these as a birthday present for a friend that was interested in pulp novel covers. Used them to decorate a room, and no one was disappointed ;) Print quality was great and so were the pictures. Whats to complain about? She tried to be good... and boy are they!

excellent pulp fiction style postcards-fun to look at and to send.
