# Butter: A Rich History

## Synopsis

The delicious kitchen staple we so often take for granted is not merely a stick tucked into our refrigerator door. It's a culinary catalyst, an agent of change, a gastronomic rock star. From its accidental invention in a long-ago herder's pouch to its ubiquitous presence in the world's most fabulous cuisines, butter is boss. Now, it finally gets its due. Award-winning food writer and chef Elaine Khosrova serves up a story as rich, textured, and culturally relevant as butter itself. From the ancient butter bogs of Ireland to the sacred butter sculptures of Tibet, Butter is about so much more than food. Khosrova details its surprisingly vital role in history, politics, economics, nutrition, even spirituality and art. From its humble agrarian origins to its present-day artisanal glory, butter has a fascinating story to tell, and Khosrova is the perfect person to tell it. She even includes the essential collection of carefully developed core butter recipes, from beurre manié and croissants to pâte brisée and the perfect buttercream frosting, and provides practical how-tos for making various types of butter at home--no churning necessary.

## Book Information

Print Length: 368 pages

Publisher: Algonquin Books (November 15, 2016)

Publication Date: November 15, 2016

Language: English

ASIN: B01B3VMBO2

Text-to-Speech: Enabled

X-Ray: Not Enabled

Word Wise: Not Enabled

Lending: Not Enabled

Enhanced Typesetting: Not Enabled
