Pokemon Go is a free-to-play, location-based augmented reality game. It is indeed an amazing and unique game! I've been playing this game for 3 months now. I never thought that there are still secrets and tricks that I don't know about this game. I am thankful that I read this amazing book and gives me more information about Pokemon Go. There are new tips that were provided by this book, so I recommend all the players of Pokemon Go to buy this book.

This is a good guide for new players like me and my girlfriend. Very nice book, easy to read and has a lot of information about the game. It covers all the basics and some advanced stuff. I recommend it for anyone starting this game out! If you're thinking about buying this book, JUST DO IT. You will not regret it!

Great book! It has helped me a lot since I'm a new player! It has great tips, tricks and big colorful pictures which I like. It's also an easy read. I highly recommend to other players who are beginners and don't know by where to start!

This book was very helpful guide for all the players of Pokemon Go. Very nice book, easy to read and has a lot of information about the game. This book has contains more info than the other books on Pokemon Go at this point, it's very well written and easy to read. I recommend it for anyone starting this game out!
