Contemporary Jewelry In Perspective

Synopsis

What is contemporary jewelry? What makes it unique? What distinguishes these objects and practices from other visual arts? *Contemporary Jewelry in Perspective* provides clear definitions, concise history, and cultural context for the form, along with abundant illustrations of an amazing range of work. Featuring notable contributors from around the world, it offers fascinating discussions on creating, collecting, exhibiting, selling, and wearing these pieces, as well as individual essays that present a global perspective on the art over the past 30 to 40 years. Jewelers, designers, students, collectors, and historians will find this essential reading. The book is a joint venture between the Art Jewelry Forum (artjewelryforum.org) and Lark Jewelry & Beading.
