Customer Reviews

I have purchased other cookbooks from Jamie Stewart. I was not disappointed with Top 500 Pressure Cooker and Instant Pot. I had received an Instant Pot for the holidays and had not been using it to its full use. After reading and going over the items in the book, I have gone out and purchased the things I need to try some of the great looking recipes. I have tried a couple and think they are great, and the speed in which they can be cooked is great. I would recommend this book to anyone that is looking to have a good reference book or cookbook for their Pressure Cooker.

I have been looking for a pressure cooker cookbook recently and I came across this one. I think it's great! I like a lot of the recipes and I'm pretty excited to try them out. One problem I seem to have with other books is that some of the ingredients are not very common in other recipes I use but that is not the case here. There are a lot of useful tips in the book and they come in handy, especially if you do not have a lot of experience with a pressure cooker. It goes above and beyond, I highly recommend it!

I actually have two pressure cookers, but never use them because I don't know any recipes. This book is genius! Firstly it starts with different techniques, then dives straight into recipes. The recipes are simple and convenient! And stuff that I actually want to eat! Prepare yourself to create yummy dishes in a short amount of time!

I found this book "Top 500 Pressure Cooker and Instant Pot Recipes Cookbook Bundle" by Jamie Stewart a very experimental and a fun cook book and I am definitely going to give this a major place in kitchen cupboard. This book contains methods and techniques using pressure cooker and tips for cooking with a pressure cooker successfully. The food items are well categorized so that the user can select the food easily. Each meal is given along with its preparation time and servings yielded and that might really help our busy lifestyles. The food items to be cooked are listed under both conventional pressure cooker and instant pot pressure cooker as well. I am really looking forward to try the food items mentioned in this book.

A wholesome practical guide. This contains a whole lot of much-needed advice and tips that you cannot do without. I also like the recipes. A lot of them was treated. Every single tip and recipe were so carefully explained. This book is packed full with various recipes for many dishes. Food for every occasion and time. I found the breakfast recipes adding more variety to my morning meal table. There was hardly any dish I looked up and missed. This is a very careful and thorough book, done

with perceivable passion. all the recipes I have followed turned out delicious and easy to make.

My wife and I recently purchased a pressure cooker and were in search of a good cookbook dealing with pressure cooking. When I saw "Top 500 Pressure Cooker and Instant Pot Recipes" by Jamie Stewart on it looked like the book that I have been searching for and I was 100% correct. I've been making the recipes in this book and the family is raving about the meals that I've been preparing. The book is not only recipes but also useful advice that I found extremely helpful since this is the first pressure cooker that I've ever owned. This cookbook was the perfect starting point in my pressure cooking journey and it will take me years to cook all the recipes in this book. I highly recommend "Top 500 Pressure Cooker and Instant Pot Recipes" to anyone who wants to fully enjoy the magic of pressure cooking. My wife is so happy that I have been cooking the recipes that I found this book and you know what they say "Happy wife, happy life"!

I have always enjoyed cooking for my family. Everyone likes to have a home cooked meal sometimes and I love making my family happy. I love cooking different types of meals so as to make sure that the food is great and not boring. I loved this book because it opened up my kitchen to new ways and new delicious recipes that my family is even more grateful for. I am able to cook for my family and taking even shorter periods of time, I make delicious food for them from new versatile recipes I got from this amazing book. This book is ideal for any person that loves to cook and is looking to make a variety of dishes without going through much hustle. I'm glad I got my hands on this book because it has been a game changer for my kitchen and I now have more fun while cooking food.

Aww! I'm speechless by the number of pressure cooker recipes to choose from. The author has flooded the book with mouthwatering recipes that I can hardly wait to try. His tips and helpful insights has gone a long way for me, I couldn't ask for anything better. The writing style makes the recipes simplified and easy to understand. For sure, I did not just stumble upon this book great, book a friend hinted it to me book in exchange for an honest review and I love it!
