## Customer Reviews

If you love Muffy this book is a must have! Included are photos of the past and present members of the Vanderbear family (and friends too!). This is a great source for clear photos of Vanderbears which cannot be seen well in the Muffy Club photo album (also of course a must have.) In addition there is a great deal of valuable information on variations in Muffy over the years as well as interesting historical facts about the Vanderbears. Definitely a must for Muffy collectors!

This book, is great and informative if you like Muffy Vanderbear. It includes just about all the outfits, except the newest ones. You gotta get this book if you love Muffy Vanderbear, family, and friends!

Beautiful photos illustrate Muffy's lifestory... The price guide in back is invaluable to the vanderbear collector. A MUST HAVE book if you collect Muffy!
