Thai Slow Cooker Cookbook: Delicious Thai Slow Cooker Recipes You Can Make At Home - Food Without The Hassle!

Synopsis

The slow cooker is a handy appliance which helps you prepare delicious meals, without spending too much time behind the kitchen counter. The benefit of slow-cooking from a Thai Slow Cooker Cookbook is that it works on "one-pot" principles and, therefore, it requires minimal food preparation. The slow cooker will easily turn simple ingredients into a high-delicious dish. A few meat cuts, some cooking liquid and spices at your own choice will be just enough for that I-cannot-believe-you-have-cooked-it meal. Slow cooking is a new cooking concept that implies several things: slow food cooking over three hours, constant cooking temperature, weather high or low and better flavor exchange between the ingredients. These characteristics guarantee softer and juicier meat cuts as well as the veggies imbued with flavors. Slow cooking from a Thai Slow Cooker Cookbook is perfect because your food will not burn or be over dried and it is great for dissolving the connective tissues like those in vegetables, for example. Now, once you get the slow cooker, the question is what to prepare? You can always choose the classic cuisine, but do you want to try out something new? In this Thai Slow Cooker Cookbook, you can find 25 amazing Thai Slow cooker recipes. These recipes will present you the Thai cuisine in the best yet easiest way, and all thanks to the Slow Cooker Revolution. If you are not a proud owner of a slow cook, do not hesitate and get this appliance ASAP. Start to enjoy cooking because with the Slow Cooker Revolution you can prepare delicious Thai Slow Cooker Recipes without losing too much of your time.==> BUY THIS BOOK TODAY AND GET BONUS COOKBOOK INSIDE!!

Customer Reviews

The cookbook has different recipes for Thai food either it is vegetables or chicken, won't comment on pork recipes as it is not allowed. However other than pork the other Thai recipes should definitely be tried as you can prepare Thai dishes in home through book without going to the restaurant
