Synopsis

Being a successful attorney does not always mean that you have the acumen to run your business to its maximum potential. Between managing your clients, your time, and your finances, you may spend more time on day-to-day tasks than the actual business of law. Luckily, thereâ ™s a solution. Finding the right organizational tools can take all the hardship out of running a practice, and PCLawÂ® is the best time, billing, accounting and practice management software on the market. But even the best tools can be limiting without the proper guidance and support. The Lawyerâ ™s Guide to PCLawÂ® Software by law practice management expert Steven J. Best delves into the intricacies of PCLawÂ® and gives you the knowledge you need to take control of your practice with maximum results. This book will cover: Concepts and functions of PCLawÂ®Properly setting up the program to work best for your practiceEffective organization of both clients and their casesAccurately calculating your fees and timeExpense recoveryFinancial management, including check writing, billing, and client receiptsClosing your months and running reportsUsing advanced features of the softwareAdapting PCLawÂ® to most every type of law practiceAnd much more!

Customer Reviews

Steve provides good details on the setup and use of PCLaw. For someone getting started or looking for more information on how the product functions this is a useful resource. Steve provides guidance and recommendations. It doesn’t take the place of working with a PCLaw certified consultant but can work to help you formulate your questions and remind you of what you have learned.Note that I

am a PCLaw certified consultant.
